

DIRT:

Written and Performed by
John Morello

**“A new weapon in the war against bad choices...
Gloriously irreverent laughter.”** New York Times

Dirt gets to the heart of issues related to drugs, bullying, and self esteem. Through the portrayal of relatable and memorable characters, John Morello gives voice to those who sometimes feel as though they are not heard and reassurance to those who sometimes feel as though they are not understood. John challenges students to think about the choices they make and how those choices impact their own lives and the lives of those around them.
