Dear Parents/Guardians of our Learning Community:

We are pleased to share with you information regarding Activity Days in our school. The purpose of an Activity Day is to further establish a positive school culture that is focused on an environment of respect and rapport. Activity Days are an opportunity for students to celebrate the completion of a marking period in a fun and exciting way. For this reason, we have scheduled four Activity Days which will take place at the end of each marking period.

To participate in a marking period Activity Day, your child must be “zero free” academically and behaviorally. Academically, this means that your child must complete and submit all assignments in every class, resulting in 100% completion and no zeros for assigned school work. Behaviorally, your child will be eligible to participate if he/she has not earned a disciplinary referral. If your child has earned a referral that resulted in disciplinary consequences, he/she will not be able to participate. Students who are not eligible to take part in Activity Day will proceed with the daily schedule. With each marking period comes a fresh start; students are allowed to participate if they meet the eligibility requirements for that particular marking period.

In the spirit of community building through team unity, all students are invited to participate in the first Activity Day. Throughout the remainder of the year, it is the hope of Mr. Hueston, Dr. Cetta, and Dr. Garcia to see our entire student population actively engaged in our scheduled Activity Days.

We are confident that with your support your child will be zero free, and thus be able to participate in our exciting Activity Days this school year. We would like your acknowledgement of this letter by signing below.

Educationally yours,

Richard Hueston
Principal

Orsolina A. Cetta, PhD
Assistant Principal

Kate Garcia, PsyD
School Psychologist/Behaviorist
School Safety Team Coordinator
Anti-HIB Specialist
