June 5, 2018

Dear Parents/Guardians,

We are pleased to inform you that on Monday, 6/18/18, we are holding our third annual Field Day! (Our rain date for this event will be Tuesday, 6/19/18.) Our field day will be in celebration of our 2017-18 school year and the many successes our students and staff have achieved. We will be spending our school day participating in outdoor activities that include relay races, kick ball, soccer, and other recreational activities.

Students will be permitted to bring a water bottle from home, as we will have water stations for filling them throughout the day. Kindly have your student dress appropriately in physical education clothing, in alignment with the dress code. It may be helpful to come prepared with sunscreen on and to use. Additionally, it may be important to come equipped with or having applied bug spray.

All activities are optional and designed with the goal of fostering positive social interactions for our school community.

We look forward to a fun-filled and memorable day!

Educationally yours,

Richard Hueston
Principal
