Dear Parents/Guardians:

With the arrival of spring, we would like to invite you and your child to participate in Theodore Schor's second semester, "Bring Your Parent/Guardian to School Day." Parents/guardians are invited to join us on the Wednesday, 3/21/18, for 6<sup>th</sup> grade families, and Thursday, 3/22/18 for 7<sup>th</sup> and 8<sup>th</sup> grade families. This special occasion will provide you a wonderful opportunity to observe your child in his/her academic, creative arts, world language and P.E. classes and to witness first-hand the dynamic energy of our learning environment. For your enjoyment, coffee and Danish will be provided throughout the day. You will also have an opportunity to join your child for lunch, should you so desire.

Classes will be in session and this will be a busy and productive time of instruction for our staff and students. If, after your visit, you would like to discuss your child, we ask that you call or email the teacher with your concerns. As we value your feedback and support, we also encourage you to make note of your observations and thoughts during your stay so that we may take them into consideration in the planning of future events.

Due to heightened security, it will be required that families register for this event to receive a ticket to join us. If you are planning on attending and/or if you have any questions, please contact the counseling secretary, Ms. Gransky, at 732-752-4457 X 5214 or [jgransky@pway.org](mailto:jgransky@pway.org). We look forward to seeing you and spending a productive and inspirational day together!

Educationally yours,

Richard Hueston, Principal
