Recreational Soccer Fall 2022

Registration Now Open Online!

Program Overview

Recreational programs are non-competitive and offer an excellent opportunity for recreational soccer fun and skills development. Recreation divisions are available in the Pre-K3 to 8th grade, and provide an opportunity for children to play and socialize with others in their age range while learning the game of soccer. Emphasis is placed on the children having fun.

Players in the Recreation Program will train once during the week with a professional trainer from United Soccer Academy (USA).
